

Remarks/Arguments

The Legal Instruments Examiner indicated that each claim has not been provided with the proper status identifier, and as such, the individual status of each claim cannot be identified. In response, Applicant submits hereto a revised listing of claims. Applicant has revised the status of each claim identifier. Applicant has also clarified claims 22 and 23. Previously, Applicant attempted to show that claims 22 and 23 are mere re-presentations of claims 4 and 5. Currently, claims 22 and 23 have been clarified to show that these are new claims that are nearly identical to canceled claims 4 and 5. No new matter has been added by this Amendment.

Prompt and favorable consideration of this Amendment is respectfully requested. Applicant respectfully requests that a timely Notice of Allowance be issued in this case.

Respectfully submitted,
